IICA 2023 TECHNOLOGY EXPO PACKAGE

The Institute of Instrumentation, Control and Automation (IICA) is pleased to provide you with the details of our 2023 Technology Expo Program.

The IICA has increased our profile in the market and we have seen some fantastic results with record attendances and new exhibitors in recent years. We are looking forward to an exciting year in 2023.

We are a community, our network is important

The IICA has faced a variety of challenges over the past 80 years, and our recent growth has meant we were in a very strong position when COVID-19 changed the world we live in. With respect to COVID-19, we will be guided by the advice and requirements of State and Local Government Authorities. We will continue to update everyone in the lead up to all Expos to ensure everyone is aware of any changes or requirements that may concern them. Our main focus is the health and safety of all IICA staff, exhibitors and visitors.

With your continued support, **together we can make 2023 a great year for our industry.**

Many IICA Technology Expos sell out, we encourage you to choose one or more of the Technology Expos contained in this package. Please also note, there is a maximum amount of Sponsors for each Expo and as such, we will sell on a first serve basis. Please submit your booking form early to ensure that your booking is secured and avoid disappointment.

Bookings will be processed in order of receipt.

Early Bird Discount

Book and pay in full by **31 January 2023** to make significant savings. If you are not claiming the early bird discount, please submit your booking form as soon as possible, so that your spot can be secured. A tax invoice will be provided, with payment due eight weeks prior to each Technology Expo.

PLEASE NOTE - if you are claiming the IICA Member rate, then your 2023 Membership fee needs to be paid at the time of booking. A Membership tax invoice will be issued when your booking form is received.

Technology Expo Benefits

- Low cost opportunity to exhibit your products
- Attendee contacts provided (subject to attendee's permission)
- Run across Australia, including regional areas
- Company marketing exposure
- Exhibitor lunch provided
- Clothed table measuring approx. 1.8m x .6m (varies)

We look forward to working with your organisation as an Exhibitor in partnership with the IICA in 2023!

Sponsorship

- **Only 10** Sponsorships available per Technology Expo
- Sponsorships only available to IICA Corporate Members
- Reserved Prime table position
- Company logo on flyers, publications and social media
